

Falcon Player Manual

Version 4.0

Version 4.0 of the FPP Manual is currently under revision. Due to the numerous changes and enhancements, it will take a little while to get them all incorporated into a new manual, in the meantime, the Version 2.2 manual which is current through FPP Version 3.6.2 is available here:

https://falconchristmas.github.io/FPP_Manual.pdf

Once the new manual has been updated, the link in FPP will take you to the most current version of the manual.
